Software License Agreement for the Software Quality Analysis Suite Teamscale

December 23, 2015

CQSE GmbH
Lichtenbergstraße 8
85748 Garching bei München

CQSE
Continuous Quality in Software Engineering

By downloading »Teamscale«, you (hereinafter the »Licensee«) will enter into the following agreement with CQSE GmbH (Lichtenbergstr. 8, 85748 Garching b. München) (hereinafter the »Licensor«), unless you have already entered into a separate license agreement with CQSE GmbH in relation to the Teamscale software.

Preamble

The Licensor will provide the Licensee with a license limited in time and free of charge (software lending) in relation to the software quality analysis suite »Teamscale« for test purposes.

WHEREAS, the parties agree as follows:

1 Subject matter of Agreement/System environment/Contractual use

- 1.1 The subject matter of the license granted under this Agreement is the standard software »Teamscale« in its version provided for a download by the Licensee (»Teamscale Software«).
- 1.2 The Teamscale Software will be used by the Licensee in the system environment described in the Teamscale admin documentation available for download at <http://www.teamscale.com/>.
- 1.3 The Teamscale Software will be used by the Licensee for a period of two months (hereinafter the »Test Phase«) for test purposes to evaluate the Teamscale Software and its functionality. After the end of the Test Phase, the Teamscale Software will be available for the Licensee with limited functionality only and may be continued to be used by the Licensee for an additional period of no more than three months (»Contractual Use«).
- 1.4 The use of the Teamscale Software in connection with services to third parties (such as in connection with audits or reviews) is not permitted.
- 1.5 As the Teamscale Software will be provided under this Agreement free of charge for test purposes, the Licensor does not guarantee any functions or characteristics of the Teamscale Software. Rather, the Teamscale Software will be provided for a use in its actual condition at the time of the download.
- 1.6 The use by the Licensee of the results achieved by the Teamscale Software within the scope of the Contractual Use will be exclusively on the Licensee's own responsibility and at the Licensee's own risk.

2 Granting of a license

- 2.1 The Licensor hereby grants to the Licensee a non-exclusive right of use in relation to the Teamscale Software limited in time and limited in terms of territory and substance in accordance with sections 2.2 through 2.4 below.
- 2.2 Within the limits of the license granted under section 2.1 above, the Licensee may, during the term of this Agreement, use the Teamscale Software for the Contractual Use and reproduce the Teamscale Software within those limits to the extent as is required therefor. The Licensee may prepare copies of the Teamscale Software for archiving, backup and test purposes. Each copy shall include a reference to the Licensor's copyright.
- 2.3 The Licensee may not without the Licensor's prior consent surrender the Teamscale Software or the surrendered license files to a third party and may, in particular, not sell, lease or lend the

same to a third party. The Licensee shall protect any copies of the surrendered license files against unauthorized access by third parties and shall take all technical measures required therefor.

- 2.4 The Licensee may not reverse engineer, decompile or reassemble the Teamscale Software in whole or in part in excess of the scope allowed by mandatory law (section 69e German Copyright Act). In addition, the Licensee may not bypass the standards and restrictions (e.g., in relation to the number of users) contained in the license files provided to the Licensee.

3 Delivery and installation

- 3.1 At the beginning of the Test Phase, the Licensor will provide the Licensee with the current version of the Teamscale Software in object code form through a download link. The License files will be sent to the e-mail address entered in the web form.
- 3.2 The installation and activation of the Teamscale Software will be carried out by the Licensee.

4 Licensee's duties

The Licensee shall take appropriate precautions to protect the Teamscale Software against unauthorized access by third parties. The Licensee shall keep the license files and all copies made thereof in safe custody. The Licensee shall instruct its employees that the preparation of copies in excess of the Contractual Use is not permitted.

5 Gratuitous granting of a license

No fees are payable for the granting of the license in relation to the Teamscale Software limited in time (software lending).

6 Warranty

A warranty for defects in title and quality defects of the Teamscale Software surrendered free of charge is excluded.

7 Liability

- 7.1 The Licensor will be liable in accordance with section 600 German Civil Code to compensate the Licensee for any damage incurred in connection with defects in title and quality defects fraudulently concealed by the Licensor.
- 7.2 The Licensor will be liable without limitation in the event of intent and violations of life, body or health. The same applies to a liability under the provisions of the German Product Liability Act.
- 7.3 A liability of the Licensor for slightly negligent breaches of duty is excluded. In relation to all claims of the Licensee out of, or in connection with, this Agreement, a liability of the Licensor for grossly negligent breaches of duty is limited to the typical damage foreseeable upon the execution of this Agreement.
- 7.4 The Teamscale Software must be operated on a dedicated physical or virtual server. The Licensor will not be liable for any damage caused as a result of a use of software systems on the same server. In addition, any liability for damage caused as a result of an improper connection of

the Teamscale Software with third-party systems (such as version management systems or issue trackers) is excluded.

8 Term and termination

- 8.1 This Agreement commences upon the transmission of the license file to the e-mail address entered by the Licensee in the web form and has a fixed term of five months. This Agreement will automatically end after the expiry of its term.
- 8.2 The parties' right to terminate this Agreement for good cause remains unaffected.
- 8.3 Any notice of termination must be in writing to be effective.

9 Applicable law

This Agreement is governed exclusively by German law, to the exclusion of private international law and the UN Sales Convention.

10 Place of jurisdiction

To the fullest extent permitted by law, the exclusive place of jurisdiction for all disputes out of, or in connection with, this Agreement is Munich/Germany.

11 Final provisions

- 11.1 This Agreement contains all understandings and arrangements between the parties; no oral side agreements were made. Any general terms and conditions of business of the Licensee do not apply.
- 11.2 Should any of the provisions of this Agreement be or become ineffective, this will not affect the validity of the remaining provisions of this Agreement.
